Dear Dianne:

Congratulations on qualifying for another year of BBB Accreditation! Not every company is eligible, so you should be proud of the way you run your business. We're happy you are a part of our community of trustworthy businesses committed to advancing marketplace trust.

The accreditation fees you pay help BBB realize its vision of building an ethical marketplace where buyers and sellers trust each other. Each year we develop an annual report highlighting our community impact. Please take a few minutes to see how your commitment to BBB makes a difference in the Heart of the Texas.

We have also enclosed a couple marketing tools you can use to communicate your BBB accreditation to your customers and prospects:

- **Certificate of BBB Accreditation:** Display this everywhere you want to show potential customers that you are committed to high ethical standards. This certificate may be proudly displayed through May 2019.
- **BBB Accreditation Bid Stickers:** Quickly brand yourself with BBB by using these stickers on your bid sheets, quotes, invoices and any other correspondence. Be creative!

We commend you for your company's continued commitment to meet and maintain BBB Standards for Trust through your accreditation agreement. Additional information about these commitments can be found on bbb.org. Please contact our customer engagement team at 800.621.8566 with any questions about your BBB accreditation, including ordering additional accreditation marketing materials.

Sincerely,

Erin Dufner
